SMS Text Message Marketing

SMS (Short Message Service), commonly referred to as "text messaging," is a service for sending short messages of up to 160 characters.

Its Easy:

1. Client provides Anchor with a signed Work Order form.
2. Client submits to Anchor:
 - a. Call to Action Statement
 - b. Campaign Creative
3. Once the message is client approved, the message will be scheduled for deployment. Client will approve date and time.
4. Anchor will provide all tracking reports and provide database management.
